September Dinner Meeting

Our next social event is on **September 9, 2021** at The Marq in De Pere. It is our third social event of the year and promises to be a lot of fun.

Our first social event featured **John Maino** as our guest speaker. Our second event was a Murder Mystery Dinner Theater, with our president **Jim Lienau** as the apparent victim.

All those who attended these social events were excited to get back together again and found them to be quite enjoyable.

Our third event is at The Marq on September 9th and should be exciting for two reasons. First this will be our first time attending The Marq under its new management. It will be exciting to see how things have changed. I am sure that their food will be excellent as usual.

Second, our entertainment will be a magic show for the first time. Our guest is **Daryl Rogers**, who is a popular local magician. You should have received the invitation via your email.

We look forward to seeing you at this magical night at The Marq. The buffet menu includes Signature Beef Tips, Herbed Stuffed Chicken Breast, Seafood Alfredo, mashed potatoes, Monte Carlo vegetable blend, fresh fruit salad, dessert, & coffee.

8th Annual Veterans Benefit Golf Outing

The Club is hosting the 8th Annual VETERANS BENEFIT GOLF OUTING on Monday September 13, 2021. It will be held at the Oneida Golf & Country Club in Green Bay.

Our Golf Outing Committee is more determined than ever to resume this event. The 2021 objective is to raise \$100,000. In 2020, even without an actual event, our faithful donors, sponsors, and supporters kept their commitments and, as a result, \$86,000 was raised.

President's Corner

Dear Members and Spouses,

The Officers Club Board has had a busy summer planning activities and programs. Our third Dinner Meeting for the year is scheduled for September 9th at The Marq in De Pere. This will include a great meal and entertainment. We look forward to seeing you there. Our traditional Christmas Dinner Meeting is scheduled for December 9th at Oneida Golf & Country Club.

A team of Board Members is working with our Webmaster to update our current website, which is six years old. New software will be installed to provide a fresh new look and interface properly with Cell-phones and Tablets. Additionally, this will provide members the ability to sign up and pay for Dinner Meetings and other activities online. Completion is expected in October.

Another committee is developing a Communications plan. Their goal is to inform residents in our twenty-county area of who the Military Officers Club of Northeast Wisconsin is and what we do. Our Club is a Wisconsin Chapter chartered by the MOAA, Military Officers Association of America.

Finally, the Board is seeking your input. A survey will be sent out to members asking questions about how we can improve Club operations for you and your spouse. The survey will arrive by the end of August. Please fill it out and return it, we need your response.

Stay safe and healthy,

Jim Lienau
President

Volunteers Needed for Golf Outing

If you can help out, we need a few volunteers to act as monitors on our Hole-in-One prize holes. We need to make sure that each player's golf shot is valid and if a Hole-in-One is struck, the monitor is a witness and signs the necessary forms.

For questions or more information, please call or email **John Friedel** (phone number and email address can be found on page 2).

Legislative News

By **Joe Williams**

This is an article by the MOAA Government Relations Staff and shortened for our newsletter.

While the Senate Armed Services Committee (SASC) had not published its bill text as of Aug. 3, the subcommittees of the House Armed Services Committee (HASC) have released their bill texts. The full HASC is scheduled to complete its work Sept. 1, after Congress returns from the August recess.

Health Care

Stopping Medical Billet Cuts. The draft includes a provision that would further halt military medical billet cuts for another year following the enactment of the FY 2022 NDAA (National Defense Authorization Act) and require a Government Accountability Office (GAO) report on the analyses used to support any reduction or realignment of military medical manning.

Stopping "China Rx." MOAA has repeatedly raised concerns about U.S. reliance on overseas prescription drug manufacturing and active ingredient production. The HASC would require DoD to provide a congressional briefing on the production of critical active pharmaceutical ingredients including the development of a domestic production capability.

Better Mental Health Care. Improving access to mental health care for military families was one of MOAA's top priorities this year, and this includes two reporting requirements addressing this issue: One directs DoD to assess the impact of TRICARE copay increases on utilization of mental health visits, while the other requires DoD to review options for improving recruitment and retention of mental health providers in the military health system.

Fixing TRICARE Gaps. Legislation addressing TRICARE parity gaps – for young adult dependents and National Guard and Reserve servicemembers – is not included in the draft bill. Expansions to TRICARE eligibility comes with a steep price tag, and finding a "pay for" is a challenge. While MOAA strongly supports addressing TRICARE parity issues, we will oppose any effort to fund these fixes by increasing out of pocket costs on beneficiaries or cutting other military/veterans programs. Military families and retirees should not be expected to fund parity fixes to the military health care benefit.
